Throughout the year, and particularly on Veterans Day, Memorial Day, and Independence Day, we pay tribute to all Americans who have served to insure that our country remains a free, democratic, and independent nation. Our generations come together as one in recognizing the priorities, service, and sacrifice that are required for maintaining a free and democratic society.

Dedicated to the men and women who have honorably served our nation in the Armed Forces, during peacetime and war, so we might enjoy the freedoms we have today.

THE VETERANS MEMORIAL PARK was first conceptualized in the summer of 2002. In the following months, individuals and the 3 Military Service Organizations were contacted and asked to help develop plans for the Park. The VFW, American Legion and Am Vets are currently engaged in building this Veterans Memorial Park in North Bend, Nebraska. This project is a mutual effort by the communities of North Bend and Morse Bluff. The purpose of the park is to honor all veterans who served in the Armed Forces, during peace and war.

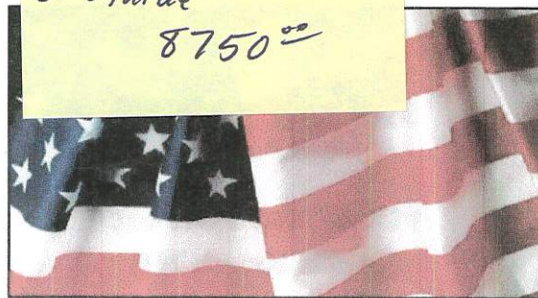

Eight bronze sculptures created by Fred Hoppe, Jr. will represent the six military branches: Air Force, Army, Coast Guard, Marines, Merchant Marines, and Navy.

A primary flagpole will display the American Flag along with three supplementary flagpoles to display the flags of the three veterans' organizations.

Five black granite benches along with planters, trees, and shrubs will enhance the beauty of the park, encouraging visitors to sit, relax, and remember.

WE WANT YOU to help us make the
VETERANS MEMORIAL PARK
something that each and every one of us
can be proud of!

THE VETERANS MEMORIAL PARK has taken an empty lot and has already created a positive feeling within the community. It is creating a cooperative effort of people who may not have actively worked together in prior times. It is raising pride among local residents. It is also providing an outlet for all age groups to work for an identified goal within the area. This will become a gathering point for residents of North Bend, Morse Bluff and the surrounding communities during occasions to celebrate the freedom and liberties we have.

Greater love hath no man
than this, that a man lay
down his life
for his friends.
